Ship Lights

Navigation light configurations (90 questions)

1. What type of vessel is this?

Image: reference/Photos/Light%20Photo/restricted-manoevre-way-abeam-new.png

- A. ☐ Vessel Engaged in Trawling
- B. ☒ Vessel Restricted in Ability to Maneuver
- C. ☐ Vessel Not Under Command
- D. ☐ Power-Driven Vessel Underway

Answer: B. Vessel Restricted in Ability to Maneuver

This is a Vessel Restricted in Ability to Maneuver (Rule 27(b)).

2. What does this vessel indicate?

Image: reference/Photos/Light%20Photo/restricted-manoevre-way-abeam-new.png

- A. ☐ Power-driven vessel severely restricted in ability to deviate by her draught
- B. ☐ Vessel aground (unable to move, touching bottom)
- C. ☒ Vessel restricted in ability to maneuver due to nature of her work
- D. ☐ Sailing vessel underway (not using propelling machinery)

Answer: C. Vessel restricted in ability to maneuver due to nature of her work

Vessel restricted in ability to maneuver due to nature of her work

3. What type of vessel is this?

Image: reference/Photos/Light%20Photo/power-driven-vessel-underway-starboard.png

- A. ☒ Power-Driven Vessel Underway
- B. ☐ Sailing Vessel Underway
- C. ☐ Vessel Restricted in Ability to Maneuver
- D. ☐ Vessel Constrained by Draught

Answer: A. Power-Driven Vessel Underway

This is a Power-Driven Vessel Underway (Rule 23).

4. What does this vessel indicate?

Image: reference/Photos/Light%20Photo/power-driven-vessel-underway-starboard.png

- A. ☐ Vessel engaged in trawling (dragging net through water)
- B. ☒ Power-driven vessel underway at night or in restricted visibility
- C. ☐ Vessel towing when length of tow exceeds 200 metres
- D. ☐ Vessel aground (unable to move, touching bottom)

Answer: B. Power-driven vessel underway at night or in restricted visibility

Power-driven vessel underway at night or in restricted visibility

5. What type of vessel is this?

Image: reference/Photos/Light%20Photo/vessel-engaged-in-trawling-Port.png

- A. ☐ Vessel Constrained by Draught
- B. ☒ Vessel Engaged in Trawling
- C. ☐ Vessel Not Under Command
- D. ☐ Sailing Vessel Underway

Answer: B. Vessel Engaged in Trawling

This is a Vessel Engaged in Trawling (Rule 26(b)).

6. What does this vessel indicate?

Image: reference/Photos/Light%20Photo/vessel-engaged-in-trawling-Port.png

- A. ☐ Sailing vessel underway (not using propelling machinery)
- B. ☐ Vessel restricted in ability to maneuver due to nature of her work
- C. ☒ Vessel engaged in trawling (dragging net through water)
- D. ☐ Vessel unable to maneuver due to exceptional circumstance

Answer: C. Vessel engaged in trawling (dragging net through water)

Vessel engaged in trawling (dragging net through water)

7. What type of vessel is this?

Image: reference/Photos/Light%20Photo/vessel-engaged-in-trawling-aft.png

- A. ☐ Power-Driven Vessel Over 50m
- B. ☐ Power-Driven Vessel Underway
- C. ☒ Vessel Engaged in Trawling
- D. ☐ Vessel Not Under Command

Answer: C. Vessel Engaged in Trawling

This is a Vessel Engaged in Trawling (Rule 26(b)).

8. What does this vessel indicate?

Image: reference/Photos/Light%20Photo/vessel-engaged-in-trawling-aft.png

- A. ☒ Vessel engaged in trawling (dragging net through water)
- B. ☐ Power-driven vessel severely restricted in ability to deviate by her draught
- C. ☐ Power-driven vessel underway at night or in restricted visibility
- D. ☐ Vessel towing when length of tow exceeds 200 metres

Answer: A. Vessel engaged in trawling (dragging net through water)

Vessel engaged in trawling (dragging net through water)

9. What type of vessel is this?

Image: reference/Photos/Light%20Photo/Constrain by draught port.png

- A. ☐ Vessel Engaged in Trawling
- B. ☒ Vessel Constrained by Draught
- C. ☐ Vessel Restricted in Ability to Maneuver
- D. ☐ Vessel Aground

Answer: B. Vessel Constrained by Draught

This is a Vessel Constrained by Draught (Rule 28).

10. What does this vessel indicate?

Image: reference/Photos/Light%20Photo/Constain by draught port.png

- A. ☐ Vessel unable to maneuver due to exceptional circumstance
- B. ☐ Power-driven vessel underway at night or in restricted visibility
- C. ☐ Vessel restricted in ability to maneuver due to nature of her work
- D. ☒ Power-driven vessel severely restricted in ability to deviate by her draught

Answer: D. Power-driven vessel severely restricted in ability to deviate by her draught

Power-driven vessel severely restricted in ability to deviate by her draught

11. What type of vessel is this?

Image: reference/Photos/Light%20Photo/vessel-towing-200m-Starboard.png

- A. ☐ Sailing Vessel Underway
- B. ☐ Vessel Aground
- C. ☐ Vessel Not Under Command
- D. ☒ Vessel Towing (Tow Exceeds 200m)

Answer: D. Vessel Towing (Tow Exceeds 200m)

This is a Vessel Towing (Tow Exceeds 200m) (Rule 24(a)(i)).

12. What does this vessel indicate?

Image: reference/Photos/Light%20Photo/vessel-towing-200m-Starboard.png

- A. ☒ Vessel towing when length of tow exceeds 200 metres
- B. ☐ Vessel unable to maneuver due to exceptional circumstance
- C. ☐ Power-driven vessel underway at night or in restricted visibility
- D. ☐ Power-driven vessel severely restricted in ability to deviate by her draught

Answer: A. Vessel towing when length of tow exceeds 200 metres

Vessel towing when length of tow exceeds 200 metres

13. What type of vessel is this?

Image: reference/Photos/Light%20Photo/Around_ahead.png

- A. ☐ Vessel Constrained by Draught
- B. ☐ Vessel Engaged in Trawling
- C. ☒ Vessel Aground
- D. ☐ Sailing Vessel Underway

Answer: C. Vessel Aground

This is a Vessel Aground (Rule 30(d)).

14. What does this vessel indicate?

Image: reference/Photos/Light%20Photo/Around_ahead.png

- A. ☐ Vessel towing when length of tow exceeds 200 metres
- B. ☒ Vessel aground (unable to move, touching bottom)
- C. ☐ Vessel restricted in ability to maneuver due to nature of her work
- D. ☐ Power-driven vessel underway at night or in restricted visibility

Answer: B. Vessel aground (unable to move, touching bottom)

Vessel aground (unable to move, touching bottom)

15. What type of vessel is this?

Image: reference/Photos/Light%20Photo/vessel-towing-200m-front.png

- A. ☐ Vessel Engaged in Trawling
- B. ☐ Vessel Aground
- C. ☐ Power-Driven Vessel Underway
- D. ☒ Vessel Towing (Tow Exceeds 200m)

Answer: D. Vessel Towing (Tow Exceeds 200m)

This is a Vessel Towing (Tow Exceeds 200m) (Rule 24(a)(i)).

16. What does this vessel indicate?

Image: reference/Photos/Light%20Photo/vessel-towing-200m-front.png

- A. ☐ Power-driven vessel severely restricted in ability to deviate by her draught
- B. ☒ Vessel towing when length of tow exceeds 200 metres
- C. ☐ Vessel engaged in trawling (dragging net through water)
- D. ☐ Vessel unable to maneuver due to exceptional circumstance

Answer: B. Vessel towing when length of tow exceeds 200 metres

Vessel towing when length of tow exceeds 200 metres

17. What type of vessel is this?

Image: reference/Photos/Light%20Photo/restricted-manoevre-way-ahead-new.png

- A. ☐ Power-Driven Vessel Underway
- B. ☐ Vessel Towing (Tow Exceeds 200m)
- C. ☒ Vessel Restricted in Ability to Maneuver
- D. ☐ Sailing Vessel Underway

Answer: C. Vessel Restricted in Ability to Maneuver

This is a Vessel Restricted in Ability to Maneuver (Rule 27(b)).

18. What does this vessel indicate?

Image: reference/Photos/Light%20Photo/restricted-manoevre-way-ahead-new.png

- A. ☐ Sailing vessel underway (not using propelling machinery)
- B. ☒ Vessel restricted in ability to maneuver due to nature of her work
- C. ☐ Power-driven vessel severely restricted in ability to deviate by her draught
- D. ☐ Power-driven vessel underway at night or in restricted visibility

Answer: B. Vessel restricted in ability to maneuver due to nature of her work

Vessel restricted in ability to maneuver due to nature of her work

19. What type of vessel is this?

Image: reference/Photos/Light%20Photo/Aground_Port.png

- A. ☐ Power-Driven Vessel Over 50m
- B. ☒ Vessel Aground
- C. ☐ Sailing Vessel Underway
- D. ☐ Vessel Constrained by Draught

Answer: B. Vessel Aground

This is a Vessel Aground (Rule 30(d)).

20. What does this vessel indicate?

Image: reference/Photos/Light%20Photo/Aground_Port.png

- A. ☐ Vessel restricted in ability to maneuver due to nature of her work
- B. ☐ Power-driven vessel "e50m in length underway
- C. ☐ Vessel engaged in trawling (dragging net through water)
- D. ☒ Vessel aground (unable to move, touching bottom)

Answer: D. Vessel aground (unable to move, touching bottom)

Vessel aground (unable to move, touching bottom)

21. What type of vessel is this?

Image: reference/Photos/Light%20Photo/power-driven-vessel-underway-front.png

- A. ☐ Vessel Engaged in Trawling
- B. ☒ Power-Driven Vessel Underway
- C. ☐ Vessel Aground
- D. ☐ Vessel Restricted in Ability to Maneuver

Answer: B. Power-Driven Vessel Underway

This is a Power-Driven Vessel Underway (Rule 23).

22. What does this vessel indicate?

Image: reference/Photos/Light%20Photo/power-driven-vessel-underway-front.png

- A. ☐ Vessel aground (unable to move, touching bottom)
- B. ☐ Sailing vessel underway (not using propelling machinery)
- C. ☒ Power-driven vessel underway at night or in restricted visibility
- D. ☐ Vessel restricted in ability to maneuver due to nature of her work

Answer: C. Power-driven vessel underway at night or in restricted visibility

Power-driven vessel underway at night or in restricted visibility

23. What type of vessel is this?

Image: reference/Photos/Light%20Photo/power-driven-vessel-constrained-ahead-new.png

- A. ☐ Sailing Vessel Underway
- B. ☐ Vessel Engaged in Trawling
- C. ☒ Vessel Constrained by Draught
- D. ☐ Vessel Towing (Tow Exceeds 200m)

Answer: C. Vessel Constrained by Draught

This is a Vessel Constrained by Draught (Rule 28).

24. What does this vessel indicate?

Image: reference/Photos/Light%20Photo/power-driven-vessel-constrained-ahead-new.png

- A. ☒ Power-driven vessel severely restricted in ability to deviate by her draught
- B. ☐ Power-driven vessel underway at night or in restricted visibility
- C. ☐ Vessel engaged in trawling (dragging net through water)
- D. ☐ Vessel unable to maneuver due to exceptional circumstance

Answer: A. Power-driven vessel severely restricted in ability to deviate by her draught

Power-driven vessel severely restricted in ability to deviate by her draught

25. What type of vessel is this?

Image: reference/Photos/Light%20Photo/power-driven-vessel-over-50m-starboard.png

- A. ☐ Sailing Vessel Underway
- B. ☒ Power-Driven Vessel Over 50m
- C. ☐ Vessel Towing (Tow Exceeds 200m)
- D. ☐ Vessel Constrained by Draught

Answer: B. Power-Driven Vessel Over 50m

This is a Power-Driven Vessel Over 50m (Rule 23(a)(i)).

26. What does this vessel indicate?

Image: reference/Photos/Light%20Photo/power-driven-vessel-over-50m-starboard.png

- A. ☐ Vessel aground (unable to move, touching bottom)
- B. ☒ Power-driven vessel "e50m in length underway
- C. ☐ Vessel unable to maneuver due to exceptional circumstance
- D. ☐ Vessel restricted in ability to maneuver due to nature of her work

Answer: B. Power-driven vessel "e50m in length underway

Power-driven vessel "e50m in length underway

27. What type of vessel is this?

Image: reference/Photos/Light%20Photo/vessel-no-command-astern-new.png

- A. ☐ Power-Driven Vessel Over 50m
- B. ☒ Vessel Not Under Command
- C. ☐ Power-Driven Vessel Underway
- D. ☐ Sailing Vessel Underway

Answer: B. Vessel Not Under Command

This is a Vessel Not Under Command (Rule 27(a)).

28. What does this vessel indicate?

Image: reference/Photos/Light%20Photo/vessel-no-command-astern-new.png

- A. ☐ Vessel towing when length of tow exceeds 200 metres
- B. ☒ Vessel unable to maneuver due to exceptional circumstance
- C. ☐ Vessel engaged in trawling (dragging net through water)
- D. ☐ Power-driven vessel underway at night or in restricted visibility

Answer: B. Vessel unable to maneuver due to exceptional circumstance

Vessel unable to maneuver due to exceptional circumstance

29. What type of vessel is this?

Image: reference/Photos/Light%20Photo/restricted-manoevre-way-astern-new.png

- A. ☐ Vessel Constrained by Draught
- B. ☒ Vessel Restricted in Ability to Maneuver
- C. ☐ Sailing Vessel Underway
- D. ☐ Power-Driven Vessel Underway

Answer: B. Vessel Restricted in Ability to Maneuver

This is a Vessel Restricted in Ability to Maneuver (Rule 27(b)).

30. What does this vessel indicate?

Image: reference/Photos/Light%20Photo/restricted-manoeuve-way-astern-new.png

- A. ☐ Vessel unable to maneuver due to exceptional circumstance
- B. ☐ Vessel towing when length of tow exceeds 200 metres
- C. ☒ Vessel restricted in ability to maneuver due to nature of her work
- D. ☐ Vessel engaged in trawling (dragging net through water)

Answer: C. Vessel restricted in ability to maneuver due to nature of her work

Vessel restricted in ability to maneuver due to nature of her work

31. What type of vessel is this?

Image: reference/Photos/Light%20Photo/Aground_Astern.png

- A. ☐ Vessel Engaged in Trawling
- B. ☐ Power-Driven Vessel Underway
- C. ☐ Power-Driven Vessel Over 50m
- D. ☒ Vessel Aground

Answer: D. Vessel Aground

This is a Vessel Aground (Rule 30(d)).

32. What does this vessel indicate?

Image: reference/Photos/Light%20Photo/Aground_Astern.png

- A. ☐ Power-driven vessel underway at night or in restricted visibility
- B. ☒ Vessel aground (unable to move, touching bottom)
- C. ☐ Vessel towing when length of tow exceeds 200 metres
- D. ☐ Vessel engaged in trawling (dragging net through water)

Answer: B. Vessel aground (unable to move, touching bottom)

Vessel aground (unable to move, touching bottom)

33. What type of vessel is this?

Image: reference/Photos/Light%20Photo/sailing-vessel-underway-front.jpg

- A. ☐ Power-Driven Vessel Over 50m
- B. ☒ Sailing Vessel Underway
- C. ☐ Vessel Not Under Command
- D. ☐ Vessel Restricted in Ability to Maneuver

Answer: B. Sailing Vessel Underway

This is a Sailing Vessel Underway (Rule 25).

34. What does this vessel indicate?

Image: reference/Photos/Light%20Photo/sailing-vessel-underway-front.jpg

- A. ☐ Vessel aground (unable to move, touching bottom)
- B. ☒ Sailing vessel underway (not using propelling machinery)
- C. ☐ Power-driven vessel "e50m in length underway
- D. ☐ Power-driven vessel underway at night or in restricted visibility

Answer: B. Sailing vessel underway (not using propelling machinery)

Sailing vessel underway (not using propelling machinery)

35. What type of vessel is this?

Image: reference/Photos/Light%20Photo/sailing-vessel-underway-starboard.png

- A. ☐ Vessel Engaged in Trawling
- B. ☒ Sailing Vessel Underway
- C. ☐ Vessel Aground
- D. ☐ Vessel Restricted in Ability to Maneuver

Answer: B. Sailing Vessel Underway

This is a Sailing Vessel Underway (Rule 25).

36. What does this vessel indicate?

Image: reference/Photos/Light%20Photo/sailing-vessel-underway-starboard.png

- A. ☐ Vessel restricted in ability to maneuver due to nature of her work
- B. ☒ Sailing vessel underway (not using propelling machinery)
- C. ☐ Power-driven vessel "e50m in length underway
- D. ☐ Vessel towing when length of tow exceeds 200 metres

Answer: B. Sailing vessel underway (not using propelling machinery)

Sailing vessel underway (not using propelling machinery)

37. What type of vessel is this?

Image: reference/Photos/Light%20Photo/power-driven-vessel-over-50m-aft.jpg

- A. ☐ Vessel Restricted in Ability to Maneuver
- B. ☐ Vessel Engaged in Trawling
- C. ☐ Vessel Aground
- D. ☒ Power-Driven Vessel Over 50m

Answer: D. Power-Driven Vessel Over 50m

This is a Power-Driven Vessel Over 50m (Rule 23(a)(i)).

38. What does this vessel indicate?

Image: reference/Photos/Light%20Photo/power-driven-vessel-over-50m-aft.jpg

- A. ☐ Vessel aground (unable to move, touching bottom)
- B. ☐ Sailing vessel underway (not using propelling machinery)
- C. ☒ Power-driven vessel "e50m in length underway
- D. ☐ Vessel unable to maneuver due to exceptional circumstance

Answer: C. Power-driven vessel "e50m in length underway

Power-driven vessel "e50m in length underway

39. What type of vessel is this?

Image: reference/Photos/Light%20Photo/vessel-towing-200m-aft.png

- A. ☐ Vessel Constrained by Draught
- B. ☐ Vessel Restricted in Ability to Maneuver
- C. ☒ Vessel Towing (Tow Exceeds 200m)
- D. ☐ Sailing Vessel Underway

Answer: C. Vessel Towing (Tow Exceeds 200m)

This is a Vessel Towing (Tow Exceeds 200m) (Rule 24(a)(i)).

40. What does this vessel indicate?

Image: reference/Photos/Light%20Photo/vessel-towing-200m-aft.png

- A. ☐ Vessel unable to maneuver due to exceptional circumstance
- B. ☐ Vessel engaged in trawling (dragging net through water)
- C. ☐ Power-driven vessel underway at night or in restricted visibility
- D. ☒ Vessel towing when length of tow exceeds 200 metres

Answer: D. Vessel towing when length of tow exceeds 200 metres

Vessel towing when length of tow exceeds 200 metres

41. What type of vessel is this?

Image: reference/Photos/Light%20Photo/vessel-no-command-abeam-new.png

- A. ☒ Vessel Not Under Command
- B. ☐ Power-Driven Vessel Over 50m
- C. ☐ Vessel Engaged in Trawling
- D. ☐ Power-Driven Vessel Underway

Answer: A. Vessel Not Under Command

This is a Vessel Not Under Command (Rule 27(a)).

42. What does this vessel indicate?

Image: reference/Photos/Light%20Photo/vessel-no-command-abeam-new.png

- A. ☐ Power-driven vessel severely restricted in ability to deviate by her draught
- B. ☐ Power-driven vessel "e50m in length underway
- C. ☐ Vessel restricted in ability to maneuver due to nature of her work
- D. ☒ Vessel unable to maneuver due to exceptional circumstance

Answer: D. Vessel unable to maneuver due to exceptional circumstance

Vessel unable to maneuver due to exceptional circumstance

43. What type of vessel is this?

Image: reference/Photos/Light%20Photo/vessel-engaged-in-trawling-front.png

- A. ☐ Power-Driven Vessel Underway
- B. ☐ Vessel Aground
- C. ☒ Vessel Engaged in Trawling
- D. ☐ Vessel Towing (Tow Exceeds 200m)

Answer: C. Vessel Engaged in Trawling

This is a Vessel Engaged in Trawling (Rule 26(b)).

44. What does this vessel indicate?

Image: reference/Photos/Light%20Photo/vessel-engaged-in-trawling-front.png

- A. ☐ Vessel restricted in ability to maneuver due to nature of her work
- B. ☐ Vessel aground (unable to move, touching bottom)
- C. ☐ Power-driven vessel underway at night or in restricted visibility
- D. ☒ Vessel engaged in trawling (dragging net through water)

Answer: D. Vessel engaged in trawling (dragging net through water)

Vessel engaged in trawling (dragging net through water)

45. What type of vessel is this?

Image: reference/Photos/Light%20Photo/power-driven-vessel-over-50m-front.jpg

- A. ☐ Vessel Engaged in Trawling
- B. ☐ Sailing Vessel Underway
- C. ☒ Power-Driven Vessel Over 50m
- D. ☐ Vessel Restricted in Ability to Maneuver

Answer: C. Power-Driven Vessel Over 50m

This is a Power-Driven Vessel Over 50m (Rule 23(a)(i)).

46. What does this vessel indicate?

Image: reference/Photos/Light%20Photo/power-driven-vessel-over-50m-front.jpg

- A. ☐ Sailing vessel underway (not using propelling machinery)
- B. ☐ Vessel aground (unable to move, touching bottom)
- C. ☐ Vessel restricted in ability to maneuver due to nature of her work
- D. ☒ Power-driven vessel "e50m in length underway

Answer: D. Power-driven vessel "e50m in length underway

Power-driven vessel "e50m in length underway

47. What type of vessel is this?

Image: reference/Photos/Light%20Photo/power-driven-vessel-underway-aft.png

- A. ☐ Vessel Constrained by Draught
- B. ☒ Power-Driven Vessel Underway
- C. ☐ Vessel Aground
- D. ☐ Sailing Vessel Underway

Answer: B. Power-Driven Vessel Underway

This is a Power-Driven Vessel Underway (Rule 23).

48. What does this vessel indicate?

Image: reference/Photos/Light%20Photo/power-driven-vessel-underway-aft.png

- A. ☐ Vessel aground (unable to move, touching bottom)
- B. ☐ Power-driven vessel "e50m in length underway
- C. ☒ Power-driven vessel underway at night or in restricted visibility
- D. ☐ Sailing vessel underway (not using propelling machinery)

Answer: C. Power-driven vessel underway at night or in restricted visibility

Power-driven vessel underway at night or in restricted visibility

49. What type of vessel is this?

Image: reference/Photos/Light%20Photo/sailing-vessel-underway-aft.png

- A. ☐ Vessel Engaged in Trawling
- B. ☒ Sailing Vessel Underway
- C. ☐ Vessel Towing (Tow Exceeds 200m)
- D. ☐ Vessel Not Under Command

Answer: B. Sailing Vessel Underway

This is a Sailing Vessel Underway (Rule 25).

50. What does this vessel indicate?

Image: reference/Photos/Light%20Photo/sailing-vessel-underway-aft.png

- A. ☐ Vessel restricted in ability to maneuver due to nature of her work
- B. ☐ Vessel aground (unable to move, touching bottom)
- C. ☐ Power-driven vessel "e50m in length underway
- D. ☒ Sailing vessel underway (not using propelling machinery)

Answer: D. Sailing vessel underway (not using propelling machinery)

Sailing vessel underway (not using propelling machinery)

51. What type of vessel is this?

Image: reference/Photos/Light%20Photo/vessel-no-command-ahead-new.png

- A. ☐ Sailing Vessel Underway
- B. ☒ Vessel Not Under Command
- C. ☐ Vessel Engaged in Trawling
- D. ☐ Power-Driven Vessel Underway

Answer: B. Vessel Not Under Command

This is a Vessel Not Under Command (Rule 27(a)).

52. What does this vessel indicate?

Image: reference/Photos/Light%20Photo/vessel-no-command-ahead-new.png

- A. ☐ Power-driven vessel underway at night or in restricted visibility
- B. ☐ Power-driven vessel "e50m in length underway
- C. ☒ Vessel unable to maneuver due to exceptional circumstance
- D. ☐ Power-driven vessel severely restricted in ability to deviate by her draught

Answer: C. Vessel unable to maneuver due to exceptional circumstance

Vessel unable to maneuver due to exceptional circumstance

53. What type of vessel is this?

Image: reference/Photos/Light%20Photo/power-driven-vessel-constrained-astern-new.png

- A. ☐ Vessel Aground
- B. ☐ Vessel Towing (Tow Exceeds 200m)
- C. ☒ Vessel Constrained by Draught
- D. ☐ Vessel Restricted in Ability to Maneuver

Answer: C. Vessel Constrained by Draught

This is a Vessel Constrained by Draught (Rule 28).

54. What does this vessel indicate?

Image: reference/Photos/Light%20Photo/power-driven-vessel-constrained-astern-new.png

- A. ☒ Power-driven vessel severely restricted in ability to deviate by her draught
- B. ☐ Vessel towing when length of tow exceeds 200 metres
- C. ☐ Power-driven vessel "e50m in length underway
- D. ☐ Vessel aground (unable to move, touching bottom)

Answer: A. Power-driven vessel severely restricted in ability to deviate by her draught

Power-driven vessel severely restricted in ability to deviate by her draught

55. From which direction is this light configuration viewed?

Image: reference/Photos/Light%20Photo/power-driven-vessel-underway-aft.png

- A. ☐ Port
- B. ☒ Aft
- C. ☐ Front

Answer: B. Aft

This diagram shows the Power-Driven Vessel Underway from the Aft.

56. From which direction is this light configuration viewed?

Image: reference/Photos/Light%20Photo/power-driven-vessel-over-50m-front.jpg

- A. ☒ Front
- B. ☐ Aft
- C. ☐ Port

Answer: A. Front

This diagram shows the Power-Driven Vessel Over 50m from the Front.

57. From which direction is this light configuration viewed?

Image: reference/Photos/Light%20Photo/sailing-vessel-underway-aft.png

- A. ☐ Port
- B. ☒ Aft
- C. ☐ Front

Answer: B. Aft

This diagram shows the Sailing Vessel Underway from the Aft.

58. From which direction is this light configuration viewed?

Image: reference/Photos/Light%20Photo/power-driven-vessel-over-50m-starboard.png

- A. ☒ Port
- B. ☐ Aft
- C. ☐ Front

Answer: A. Port

This diagram shows the Power-Driven Vessel Over 50m from the Port.

59. From which direction is this light configuration viewed?

Image: reference/Photos/Light%20Photo/Aground_Port.png

- A. ☐ Front
- B. ☒ Port
- C. ☐ Aft

Answer: B. Port

This diagram shows the Vessel Aground from the Port.

60. From which direction is this light configuration viewed?

Image: reference/Photos/Light%20Photo/restricted-manoevre-way-astern-new.png

- A. ☒ Aft
- B. ☐ Front
- C. ☐ Port

Answer: A. Aft

This diagram shows the Vessel Restricted in Ability to Maneuver from the Aft.

61. From which direction is this light configuration viewed?

Image: reference/Photos/Light%20Photo/vessel-towing-200m-Starboard.png

- A. ☒ Port
- B. ☐ Front
- C. ☐ Aft

Answer: A. Port

This diagram shows the Vessel Towing (Tow Exceeds 200m) from the Port.

62. From which direction is this light configuration viewed?

Image: reference/Photos/Light%20Photo/restricted-manoeuve-way-ahead-new.png

- A. ☒ Front
- B. ☐ Port
- C. ☐ Aft

Answer: A. Front

This diagram shows the Vessel Restricted in Ability to Maneuver from the Front.

63. From which direction is this light configuration viewed?

Image: reference/Photos/Light%20Photo/sailing-vessel-underway-front.jpg

- A. ☐ Port
- B. ☒ Front
- C. ☐ Aft

Answer: B. Front

This diagram shows the Sailing Vessel Underway from the Front.

64. From which direction is this light configuration viewed?

Image: reference/Photos/Light%20Photo/Aground_Astern.png

- A. ☐ Port
- B. ☒ Aft
- C. ☐ Front

Answer: B. Aft

This diagram shows the Vessel Aground from the Aft.

65. From which direction is this light configuration viewed?

Image: reference/Photos/Light%20Photo/vessel-engaged-in-trawling-Port.png

- A. ☐ Front
- B. ☒ Port
- C. ☐ Aft

Answer: B. Port

This diagram shows the Vessel Engaged in Trawling from the Port.

66. From which direction is this light configuration viewed?

Image: reference/Photos/Light%20Photo/power-driven-vessel-constrained-astern-new.png

- A. ☒ Aft
- B. ☐ Port
- C. ☐ Front

Answer: A. Aft

This diagram shows the Vessel Constrained by Draught from the Aft.

67. From which direction is this light configuration viewed?

Image: reference/Photos/Light%20Photo/power-driven-vessel-underway-starboard.png

- A. ☒ Port
- B. ☐ Front
- C. ☐ Aft

Answer: A. Port

This diagram shows the Power-Driven Vessel Underway from the Port.

68. From which direction is this light configuration viewed?

- D. ☒ [object Object]

Answer: D. [object Object]

T - Tango is shown.

209. What does this flag mean?

Image: reference/Photos/Flag%20Photo/COLREGS_Flags_AZ_Corrected_ThinBlackBorder_v2/T.jpg

- A. ☐ Conducting flag hoist drill
- B. ☐ Flight operations underway
- C. ☒ Keep clear of me; I am engaged in pair trawling
- D. ☐ The vessel is about to set sail

Answer: C. Keep clear of me; I am engaged in pair trawling

T - Tango means "Keep clear of me; I am engaged in pair trawling".

210. What is this flag?

Image: reference/Photos/Flag%20Photo/COLREGS_Flags_AZ_Corrected_ThinBlackBorder_v2/A.jpg

- A. ☒ A - Alfa
- B. ☐ H - Hotel
- C. ☐ Z - Zulu
- D. ☐ R - Romeo

Answer: A. A - Alfa

This is A - Alfa.

211. What does this flag mean?

Image: reference/Photos/Flag%20Photo/COLREGS_Flags_AZ_Corrected_ThinBlackBorder_v2/A.jpg

- A. ☒ I have a diver down; keep well clear at slow speed
- B. ☐ You are running into danger
- C. ☐ I am directing my course to starboard
- D. ☐ Do not pass ahead of me

Answer: A. I have a diver down; keep well clear at slow speed

A - Alfa means "I have a diver down; keep well clear at slow speed".

212. What is this flag?

Image: reference/Photos/Flag%20Photo/COLREGS_Flags_AZ_Corrected_ThinBlackBorder_v2/V.jpg

- A. ☐ R - Romeo
- B. ☐ S - Sierra
- C. ☒ V - Victor
- D. ☐ P - Papa

Answer: C. V - Victor

This is V - Victor.

213. What does this flag mean?

Image: reference/Photos/Flag%20Photo/COLREGS_Flags_AZ_Corrected_ThinBlackBorder_v2/V.jpg

- A. ☐ I have a diver down; keep well clear at slow speed
- B. ☐ No (negative)
- C. ☒ I require assistance
- D. ☐ My vessel is healthy and I request free pratique

Answer: C. I require assistance

V - Victor means "I require assistance".

214. Which flag is P - Papa?

- A. ☐ [object Object]
- B. ☐ [object Object]
- C. ☐ [object Object]
- D. ☒ [object Object]

Answer: D. [object Object]

P - Papa is shown.

215. What does this flag mean?

Image: reference/Photos/Flag%20Photo/COLREGS_Flags_AZ_Corrected_ThinBlackBorder_v2/P.jpg

- A. ☐ Stop carrying out your intentions and watch for my signals
- B. ☒ The vessel is about to set sail
- C. ☐ Ship has visual communications duty
- D. ☐ All personnel return to ship; proceeding to sea (in port)

Answer: B. The vessel is about to set sail

P - Papa means "The vessel is about to set sail".

216. Which flag is D - Delta?

- A. ☐ [object Object]
- B. ☒ [object Object]
- C. ☐ [object Object]
- D. ☐ [object Object]

Answer: B. [object Object]

D - Delta is shown.

217. What does this flag mean?

Image: reference/Photos/Flag%20Photo/COLREGS_Flags_AZ_Corrected_ThinBlackBorder_v2/D.jpg

- A. ☒ I am maneuvering with difficulty; keep clear
- B. ☐ Coming alongside
- C. ☐ I have a diver down; keep well clear at slow speed
- D. ☐ I require assistance

Answer: A. I am maneuvering with difficulty; keep clear

D - Delta means "I am maneuvering with difficulty; keep clear".

218. Which flag is H - Hotel?

- A. ☒ [object Object]
- B. ☐ [object Object]
- C. ☐ [object Object]
- D. ☐ [object Object]

Answer: A. [object Object]

H - Hotel is shown.

219. What does this flag mean?

Image: reference/Photos/Flag%20Photo/COLREGS_Flags_AZ_Corrected_ThinBlackBorder_v2/H.jpg

- A. ☐ No (negative)
- B. ☐ I am directing my course to starboard
- C. ☒ I have a pilot on board
- D. ☐ All personnel return to ship; proceeding to sea (in port)

Answer: C. I have a pilot on board

H - Hotel means "I have a pilot on board".

220. What is this flag?

Image: reference/Photos/Flag%20Photo/COLREGS_Flags_AZ_Corrected_ThinBlackBorder_v2/B.jpg

- A. ☐ X - X-ray
- B. ☐ C - Charlie
- C. ☒ B - Bravo
- D. ☐ E - Echo

Answer: C. B - Bravo

This is B - Bravo.

221. What does this flag mean?

Image: reference/Photos/Flag%20Photo/COLREGS_Flags_AZ_Corrected_ThinBlackBorder_v2/B.jpg

- A. ☐ My vessel is stopped; making no way
- B. ☒ I am taking in, discharging, or carrying dangerous cargo
- C. ☐ I am altering my course to port
- D. ☐ You are running into danger

Answer: B. I am taking in, discharging, or carrying dangerous cargo

B - Bravo means "I am taking in, discharging, or carrying dangerous cargo".

222. Which flag is E - Echo?

- A. ☐ [object Object]
- B. ☒ [object Object]
- C. ☐ [object Object]
- D. ☐ [object Object]

Answer: B. [object Object]

E - Echo is shown.

223. What does this flag mean?

Image: reference/Photos/Flag%20Photo/COLREGS_Flags_AZ_Corrected_ThinBlackBorder_v2/E.jpg

- A. ☐ Yes (affirmative)
- B. ☐ I require assistance
- C. ☒ I am directing my course to starboard
- D. ☐ Reverse course

Answer: C. I am directing my course to starboard

E - Echo means "I am directing my course to starboard".

224. What is this flag?

Image: reference/Photos/Flag%20Photo/COLREGS_Flags_AZ_Corrected_ThinBlackBorder_v2/O.jpg

- A. ☐ E - Echo
- B. ☒ O - Oscar
- C. ☐ V - Victor
- D. ☐ M - Mike

Answer: B. O - Oscar

This is O - Oscar.

225. What does this flag mean?

Image: reference/Photos/Flag%20Photo/COLREGS_Flags_AZ_Corrected_ThinBlackBorder_v2/O.jpg

- A. ☐ Keep clear of me; I am engaged in pair trawling
- B. ☐ My vessel is healthy and I request free pratique
- C. ☒ Man overboard
- D. ☐ I wish to communicate with you

Answer: C. Man overboard

O - Oscar means "Man overboard".

226. What is this flag?

Image: reference/Photos/Flag%20Photo/COLREGS_Flags_AZ_Corrected_ThinBlackBorder_v2/X.jpg

- A. ☐ H - Hotel
- B. ☒ X - X-ray
- C. ☐ M - Mike
- D. ☐ C - Charlie

Answer: B. X - X-ray

This is X - X-ray.

227. What does this flag mean?

Image: reference/Photos/Flag%20Photo/COLREGS_Flags_AZ_Corrected_ThinBlackBorder_v2/X.jpg

- A. ☒ Stop carrying out your intentions
- B. ☐ You should stop your vessel immediately
- C. ☐ Flight operations underway
- D. ☐ I have a pilot on board

Answer: A. Stop carrying out your intentions

X - X-ray means "Stop carrying out your intentions".

228. Which flag is S - Sierra?

- A. ☐ [object Object]
- B. ☒ [object Object]
- C. ☐ [object Object]
- D. ☐ [object Object]

Answer: B. [object Object]

S - Sierra is shown.

229. What does this flag mean?

Image: reference/Photos/Flag%20Photo/COLREGS_Flags_AZ_Corrected_ThinBlackBorder_v2/S.jpg

- A. ☐ Reverse course
- B. ☐ Boat recall; all boats return to ship
- C. ☒ I am operating astern propulsion
- D. ☐ My vessel is healthy and I request free pratique

Answer: C. I am operating astern propulsion

S - Sierra means "I am operating astern propulsion".

Day Shapes

Daytime signals (Rule 24-30) (34 questions)

230. What day shape is this?

Image: reference/Photos/Day%20shapes%20reference%20sheet/08_cylinder.jpg

- A. ☐ Two Balls (Vertical)
- B. ☒ Cylinder
- C. ☐ Ball-Diamond-Ball
- D. ☐ Two Cones Apex Together

Answer: B. Cylinder

This day shape is Cylinder.

231. What does this day shape indicate?

Image: reference/Photos/Day%20shapes%20reference%20sheet/08_cylinder.jpg

- A. ☒ Vessel constrained by her draught
- B. ☐ Vessel restricted in her ability to maneuver
- C. ☐ Vessel engaged in dredging or underwater operations
- D. ☐ Vessel not under command

Answer: A. Vessel constrained by her draught

Cylinder indicates vessel constrained by her draught (Rule 28).

232. What day shape is this?

Image: reference/Photos/Day%20shapes%20reference%20sheet/04_two_cones_apex_together.jpg

- A. ☒ Two Cones Apex Together
- B. ☐ Fishing with Outlying Gear
- C. ☐ Cylinder
- D. ☐ Two Diamonds

Answer: A. Two Cones Apex Together

This day shape is Two Cones Apex Together.

233. What does this day shape indicate?

Image: reference/Photos/Day%20shapes%20reference%20sheet/04_two_cones_apex_together.jpg

- A. ☐ Vessel engaged in mine clearance operations
- B. ☐ Vessel at anchor
- C. ☒ Vessel engaged in fishing with restricted ability to maneuver
- D. ☐ Vessel not under command

Answer: C. Vessel engaged in fishing with restricted ability to maneuver

Two Cones Apex Together indicates vessel engaged in fishing with restricted ability to maneuver (Rule 26).

234. What day shape is this?

Image: reference/Photos/Day%20shapes%20reference%20sheet/05_two_balls.jpg

- A. ☐ Three Balls (Vertical)
- B. ☐ Cylinder
- C. ☐ Two Cones Apex Together
- D. ☒ Two Balls (Vertical)

Answer: D. Two Balls (Vertical)

This day shape is Two Balls (Vertical).

235. What does this day shape indicate?

Image: reference/Photos/Day%20shapes%20reference%20sheet/05_two_balls.jpg

- A. ☐ Vessel engaged in fishing with gear extending more than 150m
- B. ☐ Vessel at anchor
- C. ☒ Vessel not under command
- D. ☐ Vessel aground

Answer: C. Vessel not under command

Two Balls (Vertical) indicates vessel not under command (Rule 27).

236. What day shape is this?

Image: reference/Photos/Day%20shapes%20reference%20sheet/01_ball_anchor.jpg

- A. ☐ Three Balls (Triangle)
- B. ☒ Ball
- C. ☐ Ball-Diamond-Ball
- D. ☐ Two Cones Apex Together

Answer: B. Ball

This day shape is Ball.

237. What does this day shape indicate?

Image: reference/Photos/Day%20shapes%20reference%20sheet/01_ball_anchor.jpg

- A. ☐ Vessel engaged in fishing with gear extending more than 150m
- B. ☐ Vessel engaged in dredging or underwater operations
- C. ☐ Vessel engaged in mine clearance operations
- D. ☒ Vessel at anchor

Answer: D. Vessel at anchor

Ball indicates vessel at anchor (Rule 30).

238. What day shape is this?

Image: reference/Photos/Day%20shapes%20reference%20sheet/12_two_diamonds.jpg

- A. ☐ Cone
- B. ☐ Two Balls (Vertical)
- C. ☒ Two Diamonds
- D. ☐ Diamond

Answer: C. Two Diamonds

This day shape is Two Diamonds.

239. What does this day shape indicate?

Image: reference/Photos/Day%20shapes%20reference%20sheet/12_two_diamonds.jpg

- A. ☐ Vessel engaged in dredging or underwater operations
- B. ☐ Sailing vessel proceeding under sail and also being propelled by machinery
- C. ☐ Vessel constrained by her draught
- D. ☒ Safe side to pass a vessel restricted in ability to maneuver

Answer: D. Safe side to pass a vessel restricted in ability to maneuver

Two Diamonds indicates safe side to pass a vessel restricted in ability to maneuver (Rule 27(d)(ii)).

240. What day shape is this?

Image: reference/Photos/Day%20shapes%20reference%20sheet/02_cone_apex_down.jpg

- A. ☐ Ball-Diamond-Ball
- B. ☒ Cone
- C. ☐ Cylinder
- D. ☐ Two Diamonds

Answer: B. Cone

This day shape is Cone.

241. What does this day shape indicate?

Image: reference/Photos/Day%20shapes%20reference%20sheet/02_cone_apex_down.jpg

- A. ☐ Vessel at anchor
- B. ☐ Vessel aground
- C. ☒ Sailing vessel proceeding under sail and also being propelled by machinery
- D. ☐ Vessel engaged in dredging or underwater operations

Answer: C. Sailing vessel proceeding under sail and also being propelled by machinery

Cone indicates sailing vessel proceeding under sail and also being propelled by machinery (Rule 25).

242. What day shape is this?

Image: reference/Photos/Day%20shapes%20reference%20sheet/10_dredging_underwater_ops.png

- A. ☐ Cylinder
- B. ☐ Cone
- C. ☐ Two Diamonds
- D. ☒ Dredging/Underwater Ops

Answer: D. Dredging/Underwater Ops

This day shape is Dredging/Underwater Ops.

243. What does this day shape indicate?

Image: reference/Photos/Day%20shapes%20reference%20sheet/10_dredging_underwater_ops.png

- A. ☐ Vessel engaged in fishing with gear extending more than 150m
- B. ☒ Vessel engaged in dredging or underwater operations
- C. ☐ Vessel towing where length of tow exceeds 200 metres
- D. ☐ Vessel restricted in her ability to maneuver

Answer: B. Vessel engaged in dredging or underwater operations

Dredging/Underwater Ops indicates vessel engaged in dredging or underwater operations (Rule 27(d)).

244. What day shape is this?

Image: reference/Photos/Day%20shapes%20reference%20sheet/11_fishing_outlying_gear.jpg

- A. ☒ Fishing with Outlying Gear
- B. ☐ Diamond
- C. ☐ Two Diamonds
- D. ☐ Ball

Answer: A. Fishing with Outlying Gear

This day shape is Fishing with Outlying Gear.

245. What does this day shape indicate?

Image: reference/Photos/Day%20shapes%20reference%20sheet/11_fishing_outlying_gear.jpg

- A. ☐ Vessel restricted in her ability to maneuver
- B. ☐ Vessel constrained by her draught
- C. ☒ Vessel engaged in fishing with gear extending more than 150m
- D. ☐ Vessel not under command

Answer: C. Vessel engaged in fishing with gear extending more than 150m

Fishing with Outlying Gear indicates vessel engaged in fishing with gear extending more than 150m (Rule 26(c)).

246. What day shape is this?

Image: reference/Photos/Day%20shapes%20reference%20sheet/03_diamond.jpg

- A. ☒ Diamond
- B. ☐ Two Balls (Vertical)
- C. ☐ Two Cones Apex Together
- D. ☐ Cone

Answer: A. Diamond

This day shape is Diamond.

247. What does this day shape indicate?

Image: reference/Photos/Day%20shapes%20reference%20sheet/03_diamond.jpg

- A. ☒ Vessel towing where length of tow exceeds 200 metres
- B. ☐ Vessel engaged in mine clearance operations
- C. ☐ Sailing vessel proceeding under sail and also being propelled by machinery
- D. ☐ Vessel restricted in her ability to maneuver

Answer: A. Vessel towing where length of tow exceeds 200 metres

Diamond indicates vessel towing where length of tow exceeds 200 metres (Rule 24).

248. What day shape is this?

Image: reference/Photos/Day%20shapes%20reference%20sheet/06_mine_clearance_triangle.jpg

- A. ☐ Three Balls (Vertical)
- B. ☐ Diamond
- C. ☒ Three Balls (Triangle)
- D. ☐ Two Diamonds

Answer: C. Three Balls (Triangle)

This day shape is Three Balls (Triangle).

249. What does this day shape indicate?

Image: reference/Photos/Day%20shapes%20reference%20sheet/06_mine_clearance_triangle.jpg

- A. ☐ Vessel restricted in her ability to maneuver
- B. ☐ Sailing vessel proceeding under sail and also being propelled by machinery
- C. ☐ Vessel engaged in fishing with gear extending more than 150m
- D. ☒ Vessel engaged in mine clearance operations

Answer: D. Vessel engaged in mine clearance operations

Three Balls (Triangle) indicates vessel engaged in mine clearance operations (Rule 27(f)).

250. What day shape is this?

Image: reference/Photos/Day%20shapes%20reference%20sheet/07_ball_diamond_ball.jpg

- A. ☐ Two Cones Apex Together
- B. ☒ Ball-Diamond-Ball
- C. ☐ Two Diamonds
- D. ☐ Ball

Answer: B. Ball-Diamond-Ball

This day shape is Ball-Diamond-Ball.

251. What does this day shape indicate?

Image: reference/Photos/Day%20shapes%20reference%20sheet/07_ball_diamond_ball.jpg

- A. ☒ Vessel restricted in her ability to maneuver
- B. ☐ Vessel constrained by her draught
- C. ☐ Vessel aground
- D. ☐ Vessel at anchor

Answer: A. Vessel restricted in her ability to maneuver

Ball-Diamond-Ball indicates vessel restricted in her ability to maneuver (Rule 27).

252. What day shape is this?

Image: reference/Photos/Day%20shapes%20reference%20sheet/09_three_balls_vertical.jpg

- A. ☐ Dredging/Underwater Ops
- B. ☒ Three Balls (Vertical)
- C. ☐ Three Balls (Triangle)
- D. ☐ Two Diamonds

Answer: B. Three Balls (Vertical)

This day shape is Three Balls (Vertical).

253. What does this day shape indicate?

Image: reference/Photos/Day%20shapes%20reference%20sheet/09_three_balls_vertical.jpg

- A. ☐ Vessel engaged in fishing with restricted ability to maneuver
- B. ☐ Vessel engaged in dredging or underwater operations
- C. ☒ Vessel aground
- D. ☐ Sailing vessel proceeding under sail and also being propelled by machinery

Answer: C. Vessel aground

Three Balls (Vertical) indicates vessel aground (Rule 30(d)).

254. What type of vessel (status) is indicated by this day shape?

Image: reference/Photos/Quiz%20day%20shapes/fishing-outlying-gear-01.jpg

- A. ☐ Vessel restricted in her ability to maneuver
- B. ☐ Vessel towing where length of tow exceeds 200 metres
- C. ☐ Safe side to pass a vessel restricted in ability to maneuver
- D. ☒ Vessel engaged in fishing with restricted ability to maneuver

Answer: D. Vessel engaged in fishing with restricted ability to maneuver

The vessel's main day-shape status is Two Cones Apex Together, which indicates vessel engaged in fishing with restricted ability to maneuver (Rule 26). The full composite arrangement shown is Fishing with Outlying Gear.

255. What type of vessel (status) is indicated by this day shape?

Image: reference/Photos/Quiz%20day%20shapes/towing-vessel-long-tow-01.jpg

- A. ☐ Vessel restricted in her ability to maneuver
- B. ☐ Sailing vessel proceeding under sail and also being propelled by machinery
- C. ☐ Vessel engaged in fishing with restricted ability to maneuver
- D. ☒ Vessel towing where length of tow exceeds 200 metres

Answer: D. Vessel towing where length of tow exceeds 200 metres

Diamond indicates vessel towing where length of tow exceeds 200 metres (Rule 24).

256. What type of vessel (status) is indicated by this day shape?

Image: reference/Photos/Quiz%20day%20shapes/ball-anchor-vessel-01.jpg

- A. ☐ Safe side to pass a vessel restricted in ability to maneuver
- B. ☐ Vessel engaged in mine clearance operations
- C. ☒ Vessel at anchor
- D. ☐ Vessel aground

Answer: C. Vessel at anchor

Ball indicates vessel at anchor (Rule 30).

257. What type of vessel (status) is indicated by this day shape?

Image: reference/Photos/Quiz%20day%20shapes/restricted-ability-to-maneuver-01.jpg

- A. ☐ Sailing vessel proceeding under sail and also being propelled by machinery
- B. ☐ Safe side to pass a vessel restricted in ability to maneuver
- C. ☐ Vessel not under command
- D. ☒ Vessel restricted in her ability to maneuver

Answer: D. Vessel restricted in her ability to maneuver

Ball-Diamond-Ball indicates vessel restricted in her ability to maneuver (Rule 27).

258. What type of vessel (status) is indicated by this day shape?

Image: reference/Photos/Quiz%20day%20shapes/constrained-by-draught-01.jpg

- A. ☐ Vessel not under command
- B. ☐ Sailing vessel proceeding under sail and also being propelled by machinery
- C. ☒ Vessel constrained by her draught
- D. ☐ Vessel engaged in mine clearance operations

Answer: C. Vessel constrained by her draught

Cylinder indicates vessel constrained by her draught (Rule 28).

259. What type of vessel (status) is indicated by this day shape?

Image: reference/Photos/Quiz%20day%20shapes/not-under-command-01.jpg

- A. ☒ Vessel not under command
- B. ☐ Vessel engaged in mine clearance operations
- C. ☐ Vessel restricted in her ability to maneuver
- D. ☐ Vessel towing where length of tow exceeds 200 metres

Answer: A. Vessel not under command

Two Balls (Vertical) indicates vessel not under command (Rule 27).

260. What type of vessel is displaying this day shape?

Image: reference/Photos/Quiz%20day%20shapes/mineclearance-01.jpg

- A. ☐ Vessel engaged in fishing with restricted ability to maneuver
- B. ☒ Vessel engaged in mine clearance operations
- C. ☐ Vessel not under command
- D. ☐ Vessel aground

Answer: B. Vessel engaged in mine clearance operations

Three Balls (Triangle) indicates vessel engaged in mine clearance operations (Rule 27(f)).

261. What type of vessel (status) is indicated by this day shape?

Image: reference/Photos/Quiz%20day%20shapes/motor-sailing-vessel-01.jpg

- A. ☐ Vessel towing where length of tow exceeds 200 metres
- B. ☐ Vessel restricted in her ability to maneuver
- C. ☒ Sailing vessel proceeding under sail and also being propelled by machinery
- D. ☐ Vessel engaged in fishing with restricted ability to maneuver

Answer: C. Sailing vessel proceeding under sail and also being propelled by machinery

Cone indicates sailing vessel proceeding under sail and also being propelled by machinery (Rule 25).

262. What type of vessel (status) is indicated by this day shape?

Image: reference/Photos/Quiz%20day%20shapes/aground-01.jpg

- A. ☒ Vessel aground
- B. ☐ Sailing vessel proceeding under sail and also being propelled by machinery
- C. ☐ Safe side to pass a vessel restricted in ability to maneuver
- D. ☐ Vessel restricted in her ability to maneuver

Answer: A. Vessel aground

Three Balls (Vertical) indicates vessel aground (Rule 30(d)).

263. What type of vessel (status) is indicated by this day shape?

Image: reference/Photos/Quiz%20day%20shapes/dredging-underwater-ops-01.jpg

- A. ☐ Sailing vessel proceeding under sail and also being propelled by machinery
- B. ☒ Vessel engaged in dredging or underwater operations
- C. ☐ Vessel restricted in her ability to maneuver
- D. ☐ Safe side to pass a vessel restricted in ability to maneuver

Answer: B. Vessel engaged in dredging or underwater operations

Dredging/Underwater Ops indicates vessel engaged in dredging or underwater operations (Rule 27(d)).

IALA Buoys & Marks

IALA marks, chart symbology, and photo ID (71 questions)

264. What is the purpose of lateral marks (port and starboard)?

- A. ☒ Indicate the port and starboard sides of the route to be followed
- B. ☐ Indicate the main or preferred channel at junctions
- C. ☐ Indicate isolated dangers
- D. ☐ Indicate safe water all round

Answer: A. Indicate the port and starboard sides of the route to be followed

Lateral markers indicate the port and starboard sides of the channel.

265. What type of marker is this?

Image: reference/Photos/Bouys/Lateral-Marker-Port-Preferred-Region-A.png

- A. ☒ Preferred channel (port preferred, Region A)
- B. ☐ Lateral port mark
- C. ☐ Safe water mark
- D. ☐ Cardinal mark

Answer: A. Preferred channel (port preferred, Region A)

Red and green horizontal bands with red on top indicates port preferred in Region A.

266. Which side does this lateral mark indicate?

Image: reference/Photos/Bouys/Lateral-Marker-Port-Region-A.png

- A. ☒ Port side
- B. ☐ Starboard side
- C. ☐ Preferred channel
- D. ☐ Safe water

Answer: A. Port side

A red can-shaped buoy in Region A marks the port side.

267. What does the top band colour indicate on a preferred channel marker?

- A. ☒ The preferred channel side (red or green band shows which side is preferred)
- B. ☐ The direction of buoyage
- C. ☐ The water depth
- D. ☐ Danger ahead

Answer: A. The preferred channel side (red or green band shows which side is preferred)

The top band colour indicates the preferred channel side — red top = preferred to port, green top = preferred to starboard (in Region A; reversed in B).

268. Which IALA region is this chart from?

Image: reference/Photos/IALA/A region.jpeg

- A. ☒ Region A
- B. ☐ Region B

Answer: A. Region A

Red port / green starboard indicates Region A.

269. What light rhythm does a normal lateral mark use when fitted?

- A. ☒ Any rhythm other than composite group flashing (2+1)
- B. ☐ Composite group flashing (2+1) only
- C. ☐ Uninterrupted (quick) flashes
- D. ☐ Morse code A

Answer: A. Any rhythm other than composite group flashing (2+1)

Normal lateral marks may use any rhythm except (2+1), which is reserved for preferred channel.

270. Which side does this lateral mark indicate?

Image: reference/Photos/Bouys/Lateral-Marker-Starboard-Region-A.png

- A. ☒ Starboard side
- B. ☐ Port side
- C. ☐ Preferred channel
- D. ☐ Safe water

Answer: A. Starboard side

A green conical buoy in Region A marks the starboard side.

271. In Region A, what light colour and rhythm indicates a port preferred channel marker?

- A. ☒ Red (2+1)
- B. ☐ Green (2+1)
- C. ☐ White occulting
- D. ☐ Yellow flashing

Answer: A. Red (2+1)

In Region A, red composite (2+1) indicates port preferred.

272. In Region A, what colour marks the port side when entering from seaward?

- A. ☒ Red
- B. ☐ Green
- C. ☐ White
- D. ☐ Yellow

Answer: A. Red

In Region A, red marks port side and green marks starboard.

273. In Region A, what light colour and rhythm indicates a starboard preferred channel marker?

- A. ☒ Green (2+1)
- B. ☐ Red (2+1)
- C. ☐ White occulting
- D. ☐ Yellow flashing

Answer: A. Green (2+1)

In Region A, green composite (2+1) indicates starboard preferred.

274. How do Region A and Region B differ for lateral marks?

- A. ☒ Colour swap: red/green for port/starboard are reversed
- B. ☐ Shape differences
- C. ☐ Light rhythm differences
- D. ☐ No difference

Answer: A. Colour swap: red/green for port/starboard are reversed

Region A: red port, green starboard. Region B: green port, red starboard when entering from seaward.

275. In Region B, what colour marks the port side when entering from seaward?

- A. ☒ Green
- B. ☐ Red
- C. ☐ White
- D. ☐ Yellow

Answer: A. Green

In Region B, green marks port side and red marks starboard.

276. What light characteristic indicates a preferred channel marker?

- A. ☒ Composite group flashing (2+1)
- B. ☐ Single long flash
- C. ☐ Group of two flashes
- D. ☐ Uninterrupted quick flashes

Answer: A. Composite group flashing (2+1)

Composite group flashing (2+1) indicates a preferred channel marker.

277. Which IALA region is this chart from?

Image: reference/Photos/IALA/B region.jpeg

- A. ☐ Region A
- B. ☒ Region B

Answer: B. Region B

Green port / red starboard indicates Region B.

278. In Region B, what light colour and rhythm indicates a port preferred channel marker?

- A. ☒ Green (2+1)
- B. ☐ Red (2+1)
- C. ☐ White occulting
- D. ☐ Yellow flashing

Answer: A. Green (2+1)

In Region B, green composite (2+1) indicates port preferred.

279. In Region B, what light colour and rhythm indicates a starboard preferred channel marker?

- A. ☒ Red (2+1)
- B. ☐ Green (2+1)
- C. ☐ White occulting
- D. ☐ Yellow flashing

Answer: A. Red (2+1)

In Region B, red composite (2+1) indicates starboard preferred.

280. Lateral markers are used in conjunction with what?

- A. ☒ A conventional direction of buoyage
- B. ☐ The compass direction
- C. ☐ The depth of water
- D. ☐ Traffic separation schemes only

Answer: A. A conventional direction of buoyage

- B. ☐ Region A
- C. ☐ Both regions
- D. ☐ Neither

Answer: A. Region B

Red marks starboard in Region B; in Region A, green marks starboard.

286. What are preferred channel markers used for?

- A. [*] Channel junctions to indicate the main, deeper, or preferred route
- B. [] Marking the port and starboard sides of a single channel
- C. [] Marking isolated dangers
- D. [] Indicating safe water all round

Answer: A. Channel junctions to indicate the main, deeper, or preferred route

Preferred channel markers are red and green banded buoys at channel junctions indicating the preferred route.

287. What light colour/rhythm does Cardinal South show?

- A. [] Blue/yellow alternating, occulting
- B. [] Yellow
- C. [*] White, 6 flashes + 1 long
- D. [] White, morse A

Answer: C. White, 6 flashes + 1 long

White, 6 flashes + 1 long

288. What is the purpose of Preferred channel (port, Region B)?

- A. [] Indicate starboard side of channel
- B. [*] Indicate preferred route at junction
- C. [] Indicate areas/features (traffic schemes, spoil grounds, military zones)
- D. [] Best navigable water is south of the mark

Answer: B. Indicate preferred route at junction

Indicate preferred route at junction

289. What does a Lateral mark (port, Region B) indicate to a mariner?

- A. [] Best navigable water is north of the mark
- B. [] Indicate starboard side of channel
- C. [] Mark isolated dangers with navigable water all round
- D. [*] Indicate port side of channel

Answer: D. Indicate port side of channel

Indicate port side of channel

290. What light colour/rhythm does Preferred channel (starboard, Region B) show?

- A. [] White, morse A
- B. [*] Red, composite (2+1)
- C. [] Red, any rhythm except (2+1)
- D. [] Green, any rhythm except (2+1)

Answer: B. Red, composite (2+1)

Red, composite (2+1)

291. What is the purpose of Lateral mark (starboard, Region B)?

- A. [] Best navigable water is west of the mark
- B. [] Mark isolated dangers with navigable water all round
- C. [*] Indicate starboard side of channel
- D. [] Temporary mark for newly sunken vessels, 24–72 hours

Answer: C. Indicate starboard side of channel

Indicate starboard side of channel

292. What is the purpose of Safe water mark?

- A. [*] Indicate navigable water all round (centreline, landfall, etc.)
- B. [] Best navigable water is west of the mark
- C. [] Temporary mark for newly sunken vessels, 24–72 hours
- D. [] Mark isolated dangers

Answer: A. Indicate navigable water all round (centreline, landfall, etc.)

Indicate navigable water all round (centreline, landfall, etc.)

293. What is the purpose of Preferred channel (starboard, Region B)?

- A. [*] Indicate preferred route at junction
- B. [] Best navigable water is south of the mark
- C. [] Indicate traffic separation
- D. [] Indicate starboard side of channel

Answer: A. Indicate preferred route at junction

Indicate preferred route at junction

294. What light colour/rhythm does Cardinal East show?

- A. [] White, group of two flashes
- B. [] White, occulting/isophase/long/morse A
- C. [*] White, 3 flashes in a group
- D. [] Red, (2+1)

Answer: C. White, 3 flashes in a group

White, 3 flashes in a group

295. What light colour/rhythm does Cardinal West show?

- A. [] White, occulting/isophase/long/morse A
- B. [] White, uninterrupted (Q or VQ)
- C. [*] White, 9 flashes in a group
- D. [] Blue/yellow alternating, occulting

Answer: C. White, 9 flashes in a group

White, 9 flashes in a group

296. What does a Lateral mark (starboard, Region B) indicate to a mariner?

- A. [] Indicate navigable water all round (centreline, landfall, etc.)
- B. [] Danger — do not pass
- C. [*] Indicate starboard side of channel
- D. [] Indicate preferred route at junction

Answer: C. Indicate starboard side of channel

Indicate starboard side of channel

297. What is the purpose of Preferred channel (starboard, Region A)?

- A. [*] Indicate preferred route at junction
- B. [] Indicate traffic separation
- C. [] Mark isolated dangers
- D. [] Indicate port side of channel

Answer: A. Indicate preferred route at junction

Indicate preferred route at junction

298. What is the purpose of Lateral mark (port, Region A)?

- A. ☐ Indicate traffic separation
- B. ☒ Indicate port side of channel
- C. ☐ Mark isolated dangers
- D. ☐ Temporary mark for newly sunken vessels, 24–72 hours

Answer: B. Indicate port side of channel

Indicate port side of channel

299. What does a Preferred channel (port, Region B) indicate to a mariner?

- A. ☒ Indicate preferred route at junction
- B. ☐ Temporary mark for newly sunken vessels, 24–72 hours
- C. ☐ Anchorage permitted
- D. ☐ Indicate starboard side of channel

Answer: A. Indicate preferred route at junction

Indicate preferred route at junction

300. What light colour/rhythm does Special mark show?

- A. ☐ Yellow, any rhythm
- B. ☐ White, uninterrupted (Q or VQ)
- C. ☒ Yellow
- D. ☐ White, occulting/isophase/long/morse A

Answer: C. Yellow

Yellow

301. What light colour/rhythm does Cardinal North show?

- A. ☐ Red, any rhythm except (2+1)
- B. ☐ White, 9 flashes in a group
- C. ☒ White, uninterrupted (Q or VQ)
- D. ☐ White, 6 flashes + 1 long

Answer: C. White, uninterrupted (Q or VQ)

White, uninterrupted (Q or VQ)

302. What is the purpose of Emergency wreck marking buoy?

- A. ☒ Temporary mark for newly sunken vessels, 24–72 hours
- B. ☐ Indicate port side of channel
- C. ☐ Best navigable water is north of the mark
- D. ☐ Indicate areas/features (traffic schemes, spoil grounds, military zones)

Answer: A. Temporary mark for newly sunken vessels, 24–72 hours

Temporary mark for newly sunken vessels, 24–72 hours

303. What is the purpose of Cardinal West?

- A. ☐ Indicate preferred route at junction
- B. ☐ Mark isolated dangers with navigable water all round
- C. ☐ Indicate starboard side of channel
- D. ☒ Best navigable water is west of the mark

Answer: D. Best navigable water is west of the mark

Best navigable water is west of the mark

304. What light colour/rhythm does Preferred channel (starboard, Region A) show?

- A. ☐ White, 9 flashes in a group
- B. ☐ White, group of two flashes
- C. ☐ White, uninterrupted (Q or VQ)
- D. ☒ Green, composite (2+1)

Answer: D. Green, composite (2+1)

Green, composite (2+1)

305. What light colour/rhythm does Safe water mark show?

- A. ☐ Red, composite (2+1)
- B. ☒ White, occulting/isophase/long/morse A
- C. ☐ Red, any rhythm except (2+1)
- D. ☐ Blue/yellow alternating, occulting

Answer: B. White, occulting/isophase/long/morse A

White, occulting/isophase/long/morse A

306. What is the purpose of Cardinal South?

- A. ☐ Indicate preferred route at junction
- B. ☐ Best navigable water is east of the mark
- C. ☒ Best navigable water is south of the mark
- D. ☐ Best navigable water is north of the mark

Answer: C. Best navigable water is south of the mark

Best navigable water is south of the mark

307. What light colour/rhythm does Preferred channel (port, Region B) show?

- A. ☐ White, group of two flashes
- B. ☒ Green, composite (2+1)
- C. ☐ White, 3 flashes in a group
- D. ☐ Green, any rhythm except (2+1)

Answer: B. Green, composite (2+1)

Green, composite (2+1)

308. What does a Isolated danger mark indicate to a mariner?

- A. ☒ Mark isolated dangers with navigable water all round
- B. ☐ Best navigable water is west of the mark
- C. ☐ Best navigable water is north of the mark
- D. ☐ Indicate port side of channel

Answer: A. Mark isolated dangers with navigable water all round

Mark isolated dangers with navigable water all round

309. What does a Lateral mark (port, Region A) indicate to a mariner?

- A. ☐ Danger — do not pass
- B. ☒ Indicate port side of channel
- C. ☐ Best navigable water is south of the mark
- D. ☐ Best navigable water is west of the mark

Answer: B. Indicate port side of channel

Indicate port side of channel

310. What does a Cardinal East indicate to a mariner?

- A. ☐ Best navigable water is west of the mark
- B. ☐ Indicate starboard side of channel
- C. ☐ Temporary mark for newly sunken vessels, 24–72 hours
- D. ☒ Best navigable water is east of the mark

Answer: D. Best navigable water is east of the mark

Best navigable water is east of the mark

311. What does a Emergency wreck marking buoy indicate to a mariner?

- A. ☐ Indicate port side of channel
- B. ☐ Indicate preferred route at junction
- C. ☒ Temporary mark for newly sunken vessels, 24–72 hours
- D. ☐ Best navigable water is east of the mark

Answer: C. Temporary mark for newly sunken vessels, 24–72 hours

Temporary mark for newly sunken vessels, 24–72 hours

312. What light colour/rhythm does Lateral mark (starboard, Region B) show?

- A. ☐ Red, composite (2+1)
- B. ☒ Red, any rhythm except (2+1)
- C. ☐ Blue/yellow alternating, occulting
- D. ☐ White, occulting/isophase/long/morse A

Answer: B. Red, any rhythm except (2+1)

Red, any rhythm except (2+1)

313. What does a Preferred channel (port, Region A) indicate to a mariner?

- A. ☐ Keep to starboard when entering
- B. ☐ Indicate areas/features (traffic schemes, spoil grounds, military zones)
- C. ☐ Mark isolated dangers with navigable water all round
- D. ☒ Indicate preferred route at junction

Answer: D. Indicate preferred route at junction

Indicate preferred route at junction

314. What does a Safe water mark indicate to a mariner?

- A. ☐ Best navigable water is east of the mark
- B. ☐ Indicate starboard side of channel
- C. ☐ Best navigable water is north of the mark
- D. ☒ Indicate navigable water all round (centreline, landfall, etc.)

Answer: D. Indicate navigable water all round (centreline, landfall, etc.)

Indicate navigable water all round (centreline, landfall, etc.)

315. What is the purpose of Preferred channel (port, Region A)?

- A. ☐ Temporary mark for newly sunken vessels, 24–72 hours
- B. ☐ Mark isolated dangers
- C. ☐ Best navigable water is east of the mark
- D. ☒ Indicate preferred route at junction

Answer: D. Indicate preferred route at junction

Indicate preferred route at junction

316. What light colour/rhythm does Lateral mark (port, Region A) show?

- A. [*] Red, any rhythm except (2+1)
- B. [] Green, composite (2+1)
- C. [] White, occulting/isophase/long/morse A
- D. [] White, morse A

Answer: A. Red, any rhythm except (2+1)

Red, any rhythm except (2+1)

317. What is the purpose of Cardinal East?

- A. [] Indicate starboard side of channel
- B. [*] Best navigable water is east of the mark
- C. [] Temporary mark for newly sunken vessels, 24–72 hours
- D. [] Indicate navigable water all round (centreline, landfall, etc.)

Answer: B. Best navigable water is east of the mark

Best navigable water is east of the mark

318. What light colour/rhythm does Lateral mark (port, Region B) show?

- A. [] White, group of two flashes
- B. [*] Green, any rhythm except (2+1)
- C. [] Red, any rhythm except (2+1)
- D. [] Blue/yellow alternating, occulting

Answer: B. Green, any rhythm except (2+1)

Green, any rhythm except (2+1)

319. What light colour/rhythm does Emergency wreck marking buoy show?

- A. [] Yellow
- B. [] Red, any rhythm except (2+1)
- C. [*] Blue/yellow alternating, occulting
- D. [] Green, composite (2+1)

Answer: C. Blue/yellow alternating, occulting

Blue/yellow alternating, occulting

320. What does a Cardinal South indicate to a mariner?

- A. [*] Best navigable water is south of the mark
- B. [] Indicate port side of channel
- C. [] Best navigable water is north of the mark
- D. [] Danger — do not pass

Answer: A. Best navigable water is south of the mark

Best navigable water is south of the mark

321. What is the purpose of Cardinal North?

- A. [] Indicate starboard side of channel
- B. [] Mark isolated dangers with navigable water all round
- C. [] Indicate navigable water all round (centreline, landfall, etc.)
- D. [*] Best navigable water is north of the mark

Answer: D. Best navigable water is north of the mark

Best navigable water is north of the mark

322. What does a Cardinal North indicate to a mariner?

- A. ☐ Danger — do not pass
- B. ☒ Best navigable water is north of the mark
- C. ☐ Mark isolated dangers with navigable water all round
- D. ☐ Indicate starboard side of channel

Answer: B. Best navigable water is north of the mark

Best navigable water is north of the mark

323. What is the purpose of Special mark?

- A. ☐ Indicate traffic separation
- B. ☒ Indicate areas/features (traffic schemes, spoil grounds, military zones)
- C. ☐ Indicate port side of channel
- D. ☐ Best navigable water is west of the mark

Answer: B. Indicate areas/features (traffic schemes, spoil grounds, military zones)

Indicate areas/features (traffic schemes, spoil grounds, military zones)

324. What does a Preferred channel (starboard, Region B) indicate to a mariner?

- A. ☐ Best navigable water is south of the mark
- B. ☐ Best navigable water is west of the mark
- C. ☒ Indicate preferred route at junction
- D. ☐ Best navigable water is north of the mark

Answer: C. Indicate preferred route at junction

Indicate preferred route at junction

325. What is the purpose of Lateral mark (port, Region B)?

- A. ☐ Indicate traffic separation
- B. ☐ Best navigable water is west of the mark
- C. ☒ Indicate port side of channel
- D. ☐ Indicate starboard side of channel

Answer: C. Indicate port side of channel

Indicate port side of channel

326. What is the purpose of Isolated danger mark?

- A. ☐ Temporary mark for newly sunken vessels, 24–72 hours
- B. ☒ Mark isolated dangers with navigable water all round
- C. ☐ Indicate port side of channel
- D. ☐ Indicate starboard side of channel

Answer: B. Mark isolated dangers with navigable water all round

Mark isolated dangers with navigable water all round

327. What is the purpose of Lateral mark (starboard, Region A)?

- A. ☐ Indicate areas/features (traffic schemes, spoil grounds, military zones)
- B. ☒ Indicate starboard side of channel
- C. ☐ Indicate port side of channel
- D. ☐ Indicate preferred route at junction

Answer: B. Indicate starboard side of channel

Indicate starboard side of channel

328. What does a Cardinal West indicate to a mariner?

- A. ☐ Indicate preferred route at junction
- B. ☐ Indicate areas/features (traffic schemes, spoil grounds, military zones)
- C. ☐ Keep to starboard when entering
- D. ☒ Best navigable water is west of the mark

Answer: D. Best navigable water is west of the mark

Best navigable water is west of the mark

329. What does a Special mark indicate to a mariner?

- A. ☐ Best navigable water is west of the mark
- B. ☒ Indicate areas/features (traffic schemes, spoil grounds, military zones)
- C. ☐ Anchorage permitted
- D. ☐ Indicate starboard side of channel

Answer: B. Indicate areas/features (traffic schemes, spoil grounds, military zones)

Indicate areas/features (traffic schemes, spoil grounds, military zones)

330. What light colour/rhythm does Isolated danger mark show?

- A. ☐ Yellow
- B. ☒ White, group of two flashes
- C. ☐ White, uninterrupted (Q or VQ)
- D. ☐ Red, any rhythm except (2+1)

Answer: B. White, group of two flashes

White, group of two flashes

331. What light colour/rhythm does Preferred channel (port, Region A) show?

- A. ☐ Yellow, any rhythm
- B. ☐ White, group of two flashes
- C. ☐ Green, any rhythm except (2+1)
- D. ☒ Red, composite (2+1)

Answer: D. Red, composite (2+1)

Red, composite (2+1)

332. What does a Preferred channel (starboard, Region A) indicate to a mariner?

- A. ☐ Anchorage permitted
- B. ☐ Keep to starboard when entering
- C. ☐ Best navigable water is south of the mark
- D. ☒ Indicate preferred route at junction

Answer: D. Indicate preferred route at junction

Indicate preferred route at junction

333. What light colour/rhythm does Lateral mark (starboard, Region A) show?

- A. ☐ Green, composite (2+1)
- B. ☐ Yellow, any rhythm
- C. ☒ Green, any rhythm except (2+1)
- D. ☐ White, uninterrupted (Q or VQ)

Answer: C. Green, any rhythm except (2+1)

Green, any rhythm except (2+1)

334. What does a Lateral mark (starboard, Region A) indicate to a mariner?

- A. ☐ Best navigable water is west of the mark
- B. ☐ Indicate port side of channel
- C. ☐ Best navigable water is east of the mark
- D. ☒ Indicate starboard side of channel

Answer: D. Indicate starboard side of channel

Indicate starboard side of channel
